Axiom Technologies Announces Acquisition of Pyramid Global Technologies, A Leader in Global Managed IT Services

May 24, 2023, 1000 ET | Source: Axiom Technologies Group

Melbourne, Australia. May 24, 2023 -- Axiom Technologies Group, a leading global provider of Managed IT Services, today announced that it has acquired the assets of Pyramid Global Technologies, a leading global Managed IT Service company across 12 countries.

"Pyramid Global Technologies is a leading independent, end-to-end IT services company, serving private and public-sector clients from a diverse array of industries. The company's technology independence, global talent and extensive partner network help clients harness the power of innovation to thrive on change and guide their digital transformation journeys. By applying Pyramid Global Technologies' global delivery platform expertise that can be applied to the seamless planning, building and operations related to any technological solutions to Axiom Technologies' existing suite of its hands-on, consultative approach, we will be able to provide even greater value to customers at a much faster pace. We are thrilled to welcome the entire Pyramid Global Technologies team to the Axiom Technologies family."

The terms of the acquisition were not disclosed.
